## Equipment needed:

- 2 x 12-sided dice
- Answer grid
- Multiplication grid
- Colouring pencils

## Rules:

1. Roll two of the 12-sided dice to give you a times table question.
2. Work out the answer and tell your partner the answer - partner to check your answer is correct using a multiplication grid.
3. Colour in the answer using your colour IF there is a correct answer available.
4. Swap so that your partner roles the dice.

Optional: Can be played with up to four people.
