Monday 18<sup>th</sup> May 2020

Good morning everyone,

I hope you've all had a good weekend and that you are all keeping well. There is nothing new to share with you today. Things this week will continue to work in the same way that they have over the past few weeks.

The risk assessment for the return on the 1<sup>st</sup> June is almost complete. The plan is to share that with the Senior Leadership Team tomorrow, the staff and the Board of Trustees on Wednesday and then with you all on Friday.

As you can imagine, it is a pretty long document but you will be expected to read it carefully prior to sending your children back into school on the 1<sup>st</sup> June. There will be a form at the end of it that you will sign to say that you have read and understood it and agree that you will abide by all the points that are included in it. We will need this back before you bring your children into school.

Many thanks to all of you that have emailed me, I think well over half of you have done now. It has been much appreciated and has really helped in formulating the risk assessment. If you haven't done so yet please do. We have to plan that 30 pupils will be returning in each class but we know that the reality is that this won't happen. We do strongly encourage all eligible pupils to attend but realise that at the end of the day this will be your choice as parents.

Take care everyone, hopefully we will see you soon.

Simon Dyson.  
Principal
