Good morning everyone,

I hope you are all well. It's a beautiful day today so I hope you all manage to get outside and have some fun as well as doing some learning. I met with all of your teachers and the other staff last night to talk about the plans for when some of you return to school in a couple of weeks. I am still hoping that by the end of the week I will be able to share some information with you about how this will work.

In the meantime, keep up the great work that you are doing.
