Friday 12th February 2021,

Good morning everyone,

We've made it to half term and I'm delighted to say that we have managed to remain semi-open, with no positive cases of Covid-19.

This certainly hasn't been the half term that we were hoping for to start 2021 but it has gone as smoothly as it could have done under the current circumstances. Fingers crossed that we can open our doors to all pupils on the 8th March.

I'd like to thank all pupils and parents for your incredible efforts this half term with the remote learning. We know what a challenge this is and we really do appreciate all of your efforts in supporting this. A new document has been uploaded onto the school website with some further information regarding remote learning. I would ask you all to have a read of this when you get the chance; it is under the Covid-19 tab on the home page.

Next week is the half term holiday so there will be no expectation that pupils will continue to engage in school activities. Monday 22nd February is an INSET day so school reopens to pupils on Tuesday 23rd.

Please remember that if your child does show any symptoms of Covid-19 over the holiday period it is essential that you inform us of this. The best way to do that is to send a text message to the school mobile phone: 07899 040876. This will be checked daily.

I hope that you all manage to have a lovely holiday, thank you for your fantastic support over this half term and over the last 12 months.

Yours sincerely,

Simon Dyson
Principal
